

Partner Institutions in the UK

Enjoy guaranteed acceptance at one of more than 50 prestigious institutions in the UK

Successful completion of a Brittin university preparation programme qualifies you to apply to any British university. Additionally, you are guaranteed acceptance at one of EF Brittin College's partner universities throughout the UK.

Apply to any university in the UK

If your goal is to attend an undergraduate degree programme at a top university in the UK, you will need to prepare for the A-Level entrance exams with our two-year A-Level Programme. Alternatively, our University Foundation Year can qualify you for most competitive undergraduate degree programmes—and guarantees your admission to one of our partner universities (at right). If you wish to complete your degree programme as fast as possible, you should take our Diploma in Business and Management which guarantees admission to second year of university. If you're looking to pursue a Masters or MBA degree, take our Pre-Masters/MBA Programme. You can then apply to any postgraduate degree in the UK or enjoy guaranteed admission at a partner university.

Guaranteed acceptance at one of our partner universities

We've been helping students progress to university in the UK for nearly 20 years and have developed long-standing relationships with a number of prestigious universities. These partner institutions have placed their trust in our preparation programmes and are happy to give the applicants of EF Brittin College either guaranteed admission or preferred consideration. However, you are not limited to our partner institutions in your selection of schools. Your EF Brittin College Adviser can assist you with applications to virtually any institution in the UK. No matter where you end up, you'll be well-prepared for your studies with our rigorous academic programme.
